

Rencontres Jasnières

July 23, 24, 25 2010

Call for candidacy to conduct a workshop

A.R.A.M.I.S is an association composed of voluntary people who are dedicated to develop the practice of TJQ in Le Mans. Every year, starting January, the workload of the organization lays in the dedication of its members.

We are happy to present you the 23rd edition of the Jasnières meeting. You'll be able to teach and to practice taiji quan, tui shou, weapons and other internal arts.

Purpose of RJ:

- * Allow all people who practice taiji quan to meet each other - whatever their style is- in a spirit of exchange without any competition.
- * Allow taiji quan teachers to show their art and skill.
- * Contribute to make taiji quan more popular in Europe for instance, thanks to an event especially dedicated to this art.

Site of RJ:

Camping du Lac des Varennes F.72340 Marçon. Tél.: 33 (0)2 43 44 13 72

The meeting takes place next to a wonderful lake in the middle of the vineyards of "Jasnières" and "Coteaux du Loir", about 40 km south from Le Mans, close to the famous castles of the Loire Valley with connection by train until Château du Loir (6 km from Marçon) from Paris or Tours.

Schedule of workshops:

7h45 - 9h30 : workshop 1, 10h15 - 12h00 : workshop 2,
15h00 - 15h30 : exhibition 15h30 to 18h00 : free pushing hands.

Conditions

Animators are required to propose a minimum of 3 workshops during the RJ and to participate to the 3 pushing hands meeting in the afternoon including Sunday afternoon.

The organizing committee tries its best to organize attractive days of practice for all participants. Therefore it must distribute evenly the workshops of TJQ / ba gua zhang / xing yi quan / qigong / weapon, workshops in French / in English, renowned animators / less famous ones, women / men, professionals / amateurs, etc. In order to remain as open as possible, the organizing committee doesn't put forward any famous name. It accepts willingly the request from new animators to have workshops. Therefore a great variety of candidacies is welcomed. Those people interested have to propose themselves as a candidate according to the RJ's rules and before the deadline for registration. The number of chosen candidates is limited; they will receive a written confirmation.

For the chosen animators who wish to organize workshops of their own before or/and after the RJ, ARAMIS accepts only to transmit the dates of the workshop(s) and the address and phone number of the animator.

The animators of the RJ 2010 were Chaplowe S. (USA), Condamine L. (Fr), Du Feu Martin (Jer), Dussauchoy M. (Fr), Ahmed D. (Eng), Dornelly G. (Eng), Dreyer S. (Fr), Heckert A. (USA), Hengst D. (NL), Huynh Chieu Duo (Viet), Klug N. (NL), Lowey B. (Scott), Menaged N. (USA), Odell R. (Eng), Perot JL (Be), Robinson R. (Scott), Silfverstråle P. (Swe), Zwaard R. (NL)

Conditions of refunding:

ARAMIS is a French association under the rule of the 1901 law concerning associations, therefore its goal is not to make any profit for the private use of its members; its activity lays in voluntary participation. One of its major policy is to propose activities at affordable tariffs for the majority of people. To do so, participants are asked reasonable price (80 or 95 €), for their participation in the RJ; this policy limits evidently its budget. One has to realize that, for an event gathering about 300 people, fixed expenses are to be dealt with every year: renting the hall, renting plates and dishes, insurance, printing programs and tickets, travelling expenses to meet the village council representatives, wine tasting for animators, etc. Consequently, the organizing committee tries to balance its budget. It asks notably to the animators a certain level of understanding : the biggest part of the budget goes into the paying of the expenses of the animators (more than 8 000 €). Thus, ARAMIS has set up the following rules for the payment of these expenses:

Camping and meals **are paid by ARAMIS** for the animators + his / her kids, her husband / his wife or another person of his / her choice.

During RJ08, 40 meals were wasted (half corresponding to instructors one's). So please, think about people who are dying of starvation and do not waste food!

Do not forget to bring your tent. Those who wish to stay in a hotel are paid on the basis of the camping site tariff.

In a spirit of hospitality, ARAMIS offers to the animators a private wine tasting party.

Travelling expenses are paid to the animators only on the following basis depending on the choice of the animator :

- Real expenses with a maximum ceiling of 580 € upon **presentation** of the receipts of their first part of the journey (petrol, highway toll stations, second class train tickets),
 - The second refund is to be reimbursed according to calculations available in this program : (<http://www.mappy.fr>) :
- ex. : Amsterdam - Marçon ≈1500 km, ≈ 198 € (gasoline : 1.2 € / l)

Insurance:

An insurance is especially contracted by our association for this event.
